

Accidents

The FMCSA requires a post accident drug and alcohol test under certain circumstances.

This is important.

DOT post accident testing requirements

Type of accident involved	Citation issued to the CMV driver	Test must be performed by employer
1) Human fatality	YES NO	YES YES
2) Bodily injury with immediate medical treatment away from the scene	YES NO	YES NO
3) Disabling damage to any motor vehicle requiring tow away	YES NO	YES NO

DOT post accident testing requirements

- Breath alcohol tests must be conducted within 8 hours of the accident.

DOT post accident testing requirements

- Breath alcohol tests must be conducted within 8 hours of the accident.
- Drug tests must be conducted within 32 hours.

DOT post accident testing requirements

- Breath alcohol tests must be conducted within 8 hours of the accident.
- Drug tests must be conducted within 32 hours.
- **FMCSA Accident** is a useful FREE app for iOS users. You can download it from the App Store.

DOT post accident testing requirements

- Breath alcohol tests must be conducted within 8 hours of the accident.
- Drug tests must be conducted within 32 hours.
- **FMCSA Accident** is a useful FREE app for iOS users. You can download it from the App Store.
- You may conduct post-accident drug tests for other types of accidents (if your policy allows), **but those would be conducted under company authority, not DOT.**

What to do?

- IF YOU HAVE AN ACCIDENT AND THERE IS NO CLINIC OPEN, CALL 847-657-7900 and follow the prompts. We have 24 hour on-site service.
- [Print the document linked below](#) and keep it with a couple of Lab CCFs in each vehicle.

**Please let us know if you
have any questions**
